

BIOLOGICAL MATERIAL TRANSFER AGREEMENT (MTA)

Canadian Phycological Culture Centre (CPCC)
Department of Biology, University of Waterloo,
Waterloo, Ontario, Canada N2L3G1
Telephone: (519) 888-4567 ext 36114
Fax: (519) 746-0614

Recipients of CPCC strains are agreeing to the following:

- You agree to use the cultures for teaching or research only. If you desire to use the material for commercial purposes you agree to negotiate with the CPCC to establish the terms of a separate agreement.
- You agree to not sell, lend, or redistribute the strain to others without permission from CPCC.
- You agree to acknowledge the CPCC in all publications reporting on its use, quoting the complete CPCC strain number and taxonomic name. A copy of your publications or a link to the source on-line should be supplied to the CPCC to enable us to update our data base on research conducted with the strains.
- The material supplied is experimental in nature and the CPCC makes no warranties of fitness for a particular purpose. You assume all liability from use, storage or disposal of the material and agree to not hold the CPCC liable for any resulting consequences. **NOTE:** An agreement signed by a responsible individual e.g. Director or Chair of department or lead scientist is required for strains producing toxins.
- You agree to pay the CPCC by credit card in advance or by check or international money order within 30 days of receiving the invoice for the cultures.

Thank you for your co-operation and for using CPCC strains in your research,
